

MAPLEWOOD K-8
PARENT COOPERATIVE EDUCATION PROGRAM (PCEP)
Edmonds School District #15

Maplewood K-8 offers an enriched curriculum with the leadership of staff members committed to partnerships with parents and families. Parent participation is the cornerstone of our successful program.

I agree to:

1. Participate in my child's classroom or with support staff (librarian, p.e. teacher, learning support program and music teachers) as directed and scheduled by the classroom teacher. I will be available up to one half day per week (four hours) per child to volunteer. I will strive to provide consistency for all of the children and the teacher; and I will follow the PCEP policy should I need a substitute or long-term substitute.
2. Provide transportation on a least two field trips per child per school year. I will communicate directly with the parent coordinator at the beginning of the school year if extenuating circumstances limit my participation to field trips that do not require transporting students in private vehicles.
3. Participate on one assigned classroom or school-wide committee per child. Classroom committees will be filled first.
4. Attend monthly parent meetings, generally scheduled on the second Tuesday of each month, September through June, at 7 p.m. in the commons.
5. Pledges are the primary funding source for classroom budgets. A monthly pledge of \$20 per month (for 10 months), per student is suggested; however, the PCEP recognizes this may be a financial challenge for some and honors any monetary donation a family is able to contribute to the program.

I understand that I will contact the vice president of classrooms to schedule a meeting with the executive committee to discuss alternative ways in which I can support Maplewood K-8 Parent Cooperative Education Program if I cannot fulfill the above requirements.
